VANCOUVER DENTAL EDUCATION CENTRE STUDY GROUP

Learn proven and effective systems to create that extraordinary practice.

LEARN THE PATH TO SUCCESS

DR. WILSON J. KWONG

Dr. Wilson J. Kwong understands that discerning members of the public are demanding beautiful smiles and optimum health from their dental providers. By sharing his knowledge and expertise accumulated since 1989, Dr. Kwong strives to help other dentists deliver the excellence expected of them.

Dr. Kwong is a perpetual student and is constantly adding to his knowledge through continuing education. He is a Member of the American Academy of Cosmetic Dentistry and The BC Institute for Oral Implantology, and is a Graduate of The Las Vegas Institute for Advanced Dental Studies. Dr. Kwong is the Director of the Vancouver Dental Education Centre, where dentists can learn the latest in patient care and practice management. He is an internationally-published author and is a mentor for Nobel Biocare and Ivoclar-Vivadent. Recently, Dr. Kwong was honoured to have been asked to join the world-renowned California Center for Advanced Dental Studies as its Program Director in Vancouver. He will also be teaching in San Francisco, Boston, and London, England.

TESTIMONIALS

“You will learn and be exposed to ideas and systems that will immediately help your practice.”

- Dr. Mike Conway

“Leave the doldrums of drill and fill dentistry. This Study Club will motivate you to enter the new generation of learning.”

- Dr. Tess Koehle

“Not only has Dr. Kwong’s study club given me the clinical skills to provide the highest quality esthetic dentistry, but also the business skills for communicating with my patients and my team more effectively. No other course has taught me more about human psychology and no teacher has been more willing to share the secrets of his success.”

- Dr. Ally. Kassam

CREATE SUCCESS

Cosmetic Dentistry involves more than great clinical skills. At the VDEC Study Group, dentists learn the Clinical, Business, Team and Social skills needed to become truly excellent at providing the highest level of dentistry for their patients.
